Written Oath

To: Keio University

In connection with my participation or involvement in the joint research, commissioned research, or other research conducted pursuant to one or more contracts entered into between Keio University, on the one hand, and the corporation, government body or other third party, on the other hand, as described below (the "Research"), I hereby agree to strictly adhere to all of the conditions as detailed below:

Name of Corporation, etc.: _____
Title of the Joint Research, etc.: _____
Name of Project, Research Subject, etc. _____

1. I will comply with all of your institution's regulations, including those concerning the handling of confidential information, as well as any and all written contracts pertaining to the Research. For as long as I participate or am involved in the research and at any time thereafter, I will neither disclose nor use any [confidential information related to the Research] with which I come into contact except expressly permitted in said regulations or contracts.
2. I will return, dispose of, or delete any and all [confidential materials pertaining to the Research] in my possession (this refers to documents, drawings, electromagnetic recording media, and other items containing confidential information pertaining to the Research) or take such other measure as instructed by the principal investigator of the Research, following the conclusion of my participation or involvement in the Research or whenever required by the principal investigator of the Research.
3. Whenever any information that would constitute or should be treated as [confidential information related to the Research] was discovered, created or acquired in the course of or as a result of the Research, I will promptly report to the principal investigator to that effect and the content of such information. I acknowledge and agree that the ownership and treatment of any right, title or interest to or in such confidential information relating to the Research will be determined in accordance with the terms of the contract(s) for the Research as well as the Keio University Rules for Handling Inventions and Keio University Regulations for Handling Copyrights.
